

Personal Umbrella

Our **Personal Umbrella** Program helps weather the storm when primary insurance limits run out.

With our Personal Umbrella Program, your clients have the comfort of additional protection should their primary insurance reach its limits.

Go beyond the basics with these excellent coverage features.

- High profiles—such as sports cars
- Homeowners or auto liability insurance with another company
- Young drivers in the household
- Motorcycles, jet skis, ATVs, snowmobiles, and golf carts
- Farm exposures
- Primary and Excess available
- Target risks such as celebrities and public figures are eligible
- Driver exclusions available to provide the ability to engineer risks with “driving record” issues
- Competitive rates

We have what you need! We offer options to extend coverage to additional residences—such as rental properties—and to write excess coverage of another umbrella policy. With limits from \$1 to \$10 million, you can't go wrong.
