

Colonial *General*

COMMERCIAL PROPERTY & CASUALTY

Our Underwriters have quoting and binding authority with numerous companies. It is our objective to provide you, the agent, with a firm quote within 24 hours (subject to receiving necessary information on the application). With basic information, we can provide an indication over the phone on almost all classes of business. (This indication is subject to change following review of the complete application)

Monoline coverage can be written for both Property and Casualty or a Package Policy can be issued when both coverage's are required. Actual cash value, replacement cost coverage, special forms and theft coverage are available.

Below we have listed some of our more popular program business classes:
